Teen Book Takeout

Teen Book Takeout (TBT) is a brand new service we are thrilled to offer for our teen patrons! Sign up each season to get a bag of 2-3 library books personally selected to match your interests and a monthly theme! We'll also be sneaking in lots of extra goodies and treats. Visit pentictionlibrary.ca/teenbooktakeout to read more. Signups begin mid-February for the Spring Series (March, April, May).

The fine print: Open to ages 13-18 only, registration & library card required. Each season teens will sign up and commit to receiving 3 months of book selections (eg, March, April, May). Space is limited.

Coming to a Library Near You: shelvr

Why would you want to get lost on a Tinder date when you can get lost in a book instead? Penticton Public Library is celebrating this Valentine's Day in slightly different style, bringing custom book matches to patrons with a personalized twist. If you're looking for your perfect match, we may have the answer for you! Watch this space for updates. Once you've fully checked out your date, you can also leave a review (it's okay to read and tell) for a chance to win!

Sphero Educational Robots Launch!

We're excited to announce that we will be adding 6 Sphero SPRK+ and 6 Sphero BOLT educational robots to our Library of Things! Starting February 16, Penticton Residents and BC One Card users can check a Sphero out for 3 weeks and explore coding basics at home!

This collection has been created from Sphero robots that were previously used in library programs.

PROGRAMS
